

## About Amimaru Translation and Localization Services

Thank you for always supporting Manga Planet/futekiya.

Over the past few days, we have received a number of comments on social media and via email regarding the compensation for translation of Amimaru Translation and Localization Services. Please find the response of FANTASISTA, INC., the operating company of Manga Planet/futekiya, to these comments below.

First and foremost, we only contract amimaru for the translation and typesetting of works distributed on the Manga Planet/futekiya Library under the proper conditions. As such, the Manga Planet/futekiya team has no direct contractual relationship with the translators. Due to the restrictions imposed by Japanese laws, we also have no knowledge or involvement in the amount of compensation the translators receive.

For details on this case, please refer to amimaru's official website. Should you have any inquiries, please contact amimaru.
